

Dear Doctor!

Well come to Karnatak state Medical Concil approved and only KMC official online CME web portal in Karnataka and its user mannual tour.

Step 1: visit www.emed.co.in or www.kmconilnecme.com

Step 2: Select your profession like Medical, Nursing, Dental or Ayurvedic

Step 3: Click on Registration if you are not having any account with www.emed.co.in

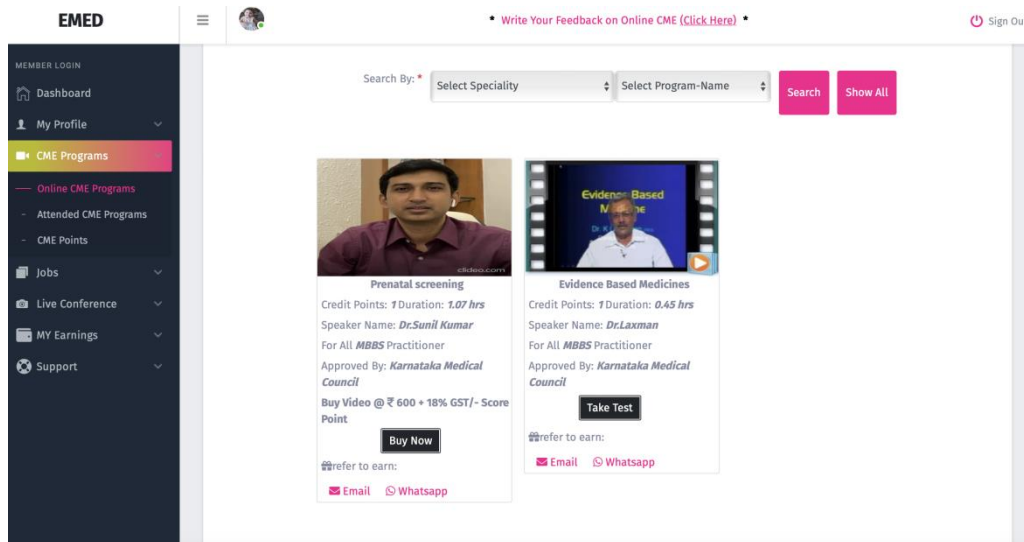

Imp Note: While registering make sure you are entering your respective state council registration number since we are linking credit hours with your council at which you are registered

Step 4: Login with your user id and password which is received at your mobile number

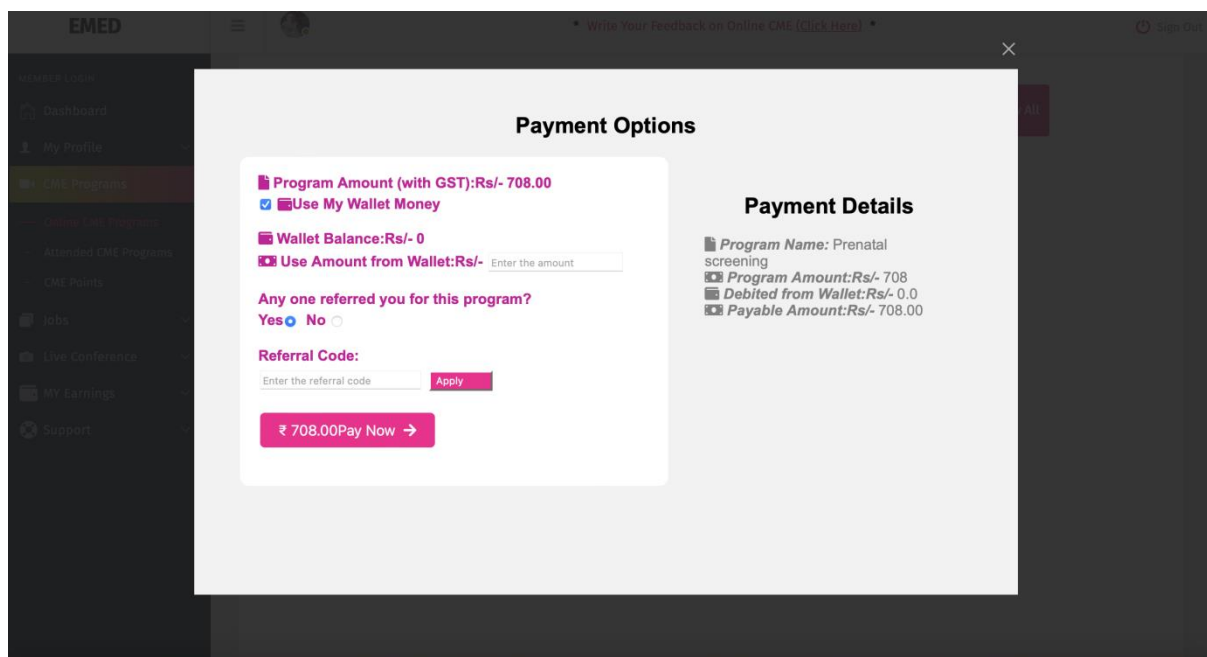

Step 5: Please make sure you are uploading your profile photo as we are validating your photo also with respective state council profile at which you're registered

Step 6: Please make sure you are completely updating your profile data and education details which will help us to render you relevant Online CME

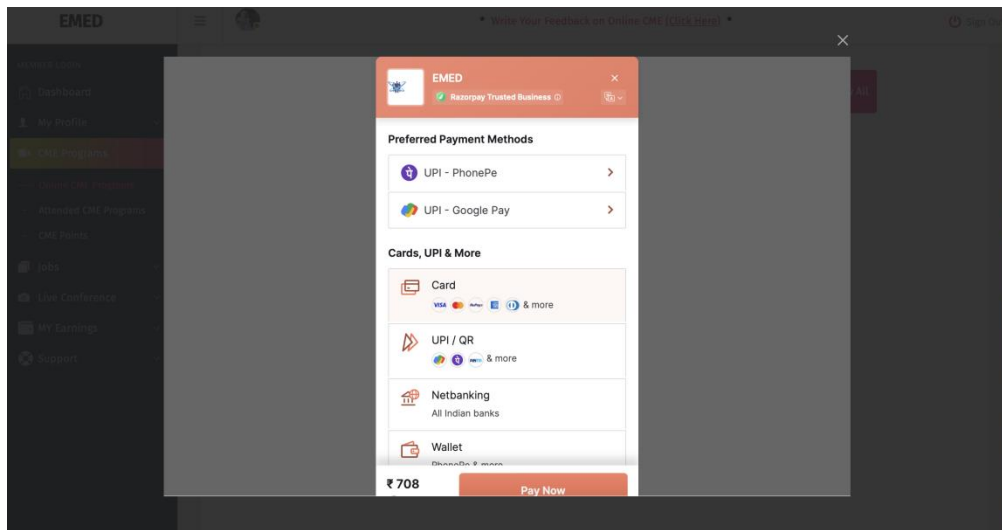

Step 7: Make sure you are going to Buy Online CME video along with MCQ test paper in order to watch CME video and take the MCQ test in order to get the CME certificate from respective state council after you successfully passing the test

Step 8: Please make sure you are using the benefits **refer and Earn** i.e. share your referral code with your friends so that you get **30%** discount on video and test paper purchase and they get **15%** discount

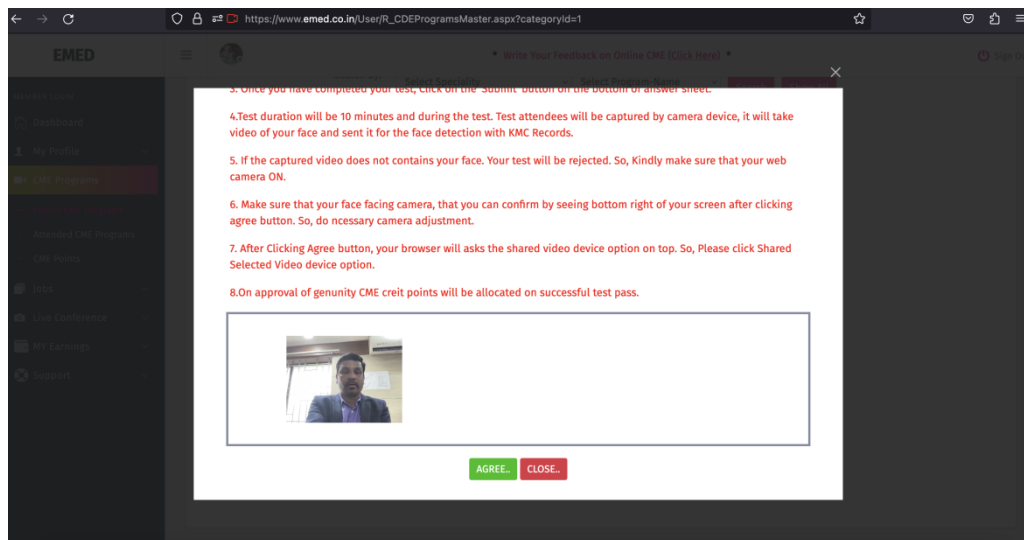

Step 9: Buy video with our trusted payment gateway and get receipt towards your payment at Receipt List under My Profile of your account

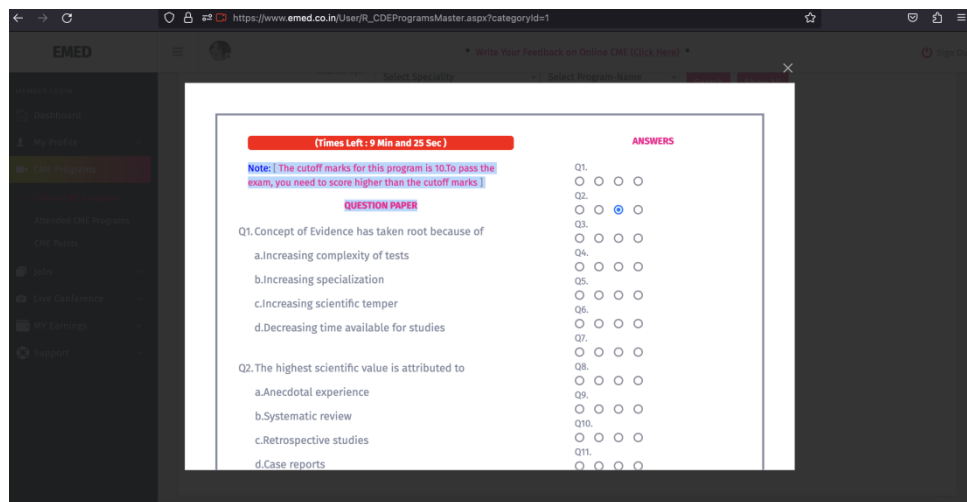

Step 10: If you are using Mobile or laptop prefer to use the Mozilla browser to take test after watching video

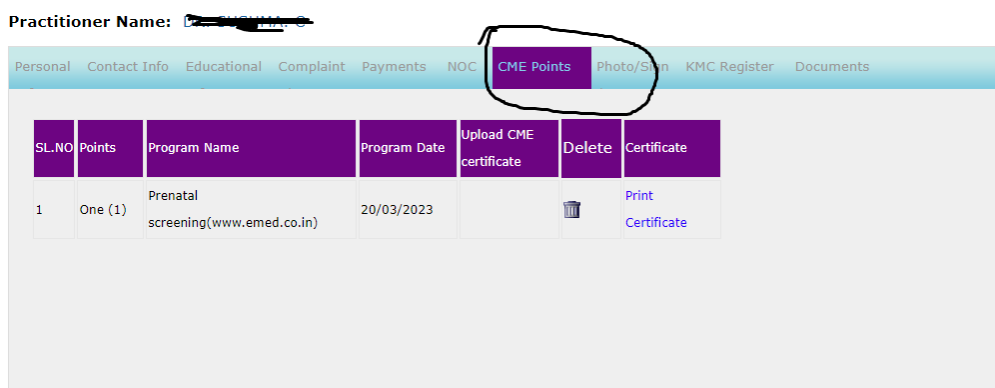

Step 11: Allow your laptop or mobile camera take the photos of your while you are attending the test, because we have to make sure it's you only taking test and your profile photo, respective council photo must match to get the certificate

Step 12: There will be MCQ test for 10 minutes having 10/15/20 questions with cut off questions like 8/10/12; you must pass the test to score the credit hours and get the certificate

Step 13: Login and Check your Council Profile under CME tab after 8 hours you pass the test successfully, as Council will verify and credit the points to your account.

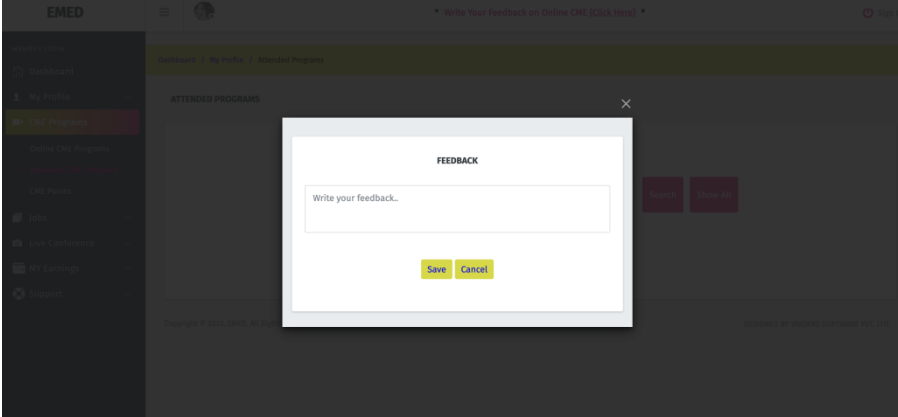

Step 14: Download the CME Certificate at your Council profile also at your www.emed.co.in profile

The image shows a CME Program Certificate from the Karnataka Medical Council. The certificate is titled "CME PROGRAM CERTIFICATE" and "Karnataka Medical Council". It states: "This is to certify that Dr. SUSHMA C Bearing Reg No. 88209 Registered with Karnataka Medical Council has participated as delegate/faculty in Prenatal screening(www.emed.co.in) (CME Programmes/Workshops/Seminars/Conferences held on Date/Month/Year 20/03/2023 To 21-06-2023) Karnataka Medical Council has granted One (1) credit hours for delegates/faculty Vide Letter No. KMC/CME/0020/2023 dated".
